Variety MEDIUM SWEET ROSE

Origin I.G.P. Pays d'Oc

Bordering the Mediterranean, the Pays d'Oc extends over the 4 departments of Languedo-Roussillon. Thanks to the sun, its vines produce aromatic wines and a unique richness. It is in this terroir, the largest in Europe, that we indentify our best cuvée, in red and rose.

Production

Harvested at night in the coolest hours, the grapes are directly pressed. Fermentation takes place at low temperature to preserve the intensity and the freshness of the aromas.
