Variety MEDIUM SWEET RED

Origin I.G.P. Pays d'Oc

Bordering the Mediterranean, the Pays d'Oc extends over the 4 departments of Languedoc-Roussillon. Thanks to the sun, its vines produce aromatic wines and a unique richness. It is in this terroir, the largest in Europe, that we identify our best cuvée, in red and rosé.

Production

Association of different vinification techniques with maceration during several weeks. Fermentation at controlled temperature to exalt the fruit. Maturing in tanks.
